1. Open your local newspaper to the *Sports* section. Are there any pictures of people holding a fish they caught? If so, what kind of fish was it? How much did it weigh?
2. While your newspaper is opened, search the advertisements. Find a grocery store ad and see if they have any marshmallows on sale. If so, how much does one bag cost? If they don't have marshmallows on sale, find another food on sale that starts with the letter *M*.

3. Mom sends Woody and Chloe to the grocery store to purchase 2.5 pounds of salmon. It's on sale for \$8.99 a pound. How much money will the pups have to pay? Don't forget to add the 6% sales tax. Woody gives the grocery store cashier \$30. How much change will he receive?
4. Open up the atlas to any state and look for the *Legend*. Woody talks about the symbols for trees, rivers and airports. Do you see any in the state you are looking at? What other symbols do you see?
5. While you're looking at the atlas, go to the map of the United States. Using Chloe's formula for finding *North, South, East, West*, name 3 states in the northern, southern, eastern, and western part of the US.

TAKE A LOOK AT THAT!

As a class, go to *Google Images* and look up any items or places you've never seen before.

MAKE, KEEP, ADD

Make sure you are adding to your list of rivers, lakes, and waterways. Which rivers, lakes, streams, etc. did you add to your list this week?

HOT DOG GAMES

As a family, play the *I SPOT A SYMBOL* game. Every time you spot a state symbol, say "*I spot a symbol*" and tell what it is. Keep a list of the symbols you see. For a complete list of symbols, go to the internet and search for *Kentucky State Symbols*.

EMAIL WOODY

Email Woody at woody@thewoodybooks.com and tell him who you believe is eating his marshmallows. Also, let Woody know about the different state symbols you saw.

Check Woody's website and his facebook at www.facebook.com/woodykywiener to see the emails he received.

CUT & PASTE

If your newspaper provided a scrapbook, make sure you cut out Chapter 5 and paste it in the scrapbook. If they didn't, make your own scrapbook. Once you've collected all 10 chapters, you will have your very own Woody book! Are Woody and Chloe coming to your town soon? If so, bring your scrapbook for the pups to sign!

WOODY'S JOKE OF THE WEEK

What kind of music should you listen to while fishing?

Something CATCHY!
